Fort Dearborn Company Announces New Web Site

The new site features a fresh new look, user friendly navigation and updated information.

Elk Grove, IL, June 24, 2014 – Fort Dearborn Company has announced the launch of its newly designed company website at www.fortdearborn.com. The new site features a fresh new look, user friendly navigation and has been updated with the latest product and service information.

“We are excited about the release of our new website. The site has been completely redesigned and updated with additional information”, said Gwen Chapdelaine, Marketing Director, Fort Dearborn Company. “We maintained a customer focused approach to ensure that users could easily find information on the products, services and innovations we have to offer and we’ll continue to add new content and updates”, she added.

The site also features a responsive design for viewing on a wide range of devices (*from mobile phones to desktop computers*).
